

## FM TO RELEASE BRAND NEW EP FUTURAMA

FM will release their monster new EP Futurama on 31<sup>st</sup> March 2014, featuring eleven new recordings, four new studio tracks, six new live tracks and one extended remix.

FM lead singer Steve Overland said, "We've been busy in the studio working on the new EP and writing songs for the next album. We are really pleased with the direction the songs are taking. Previous EPs we have released have proved to be really popular with the fans and this is our biggest and best to date."

With a running time of 57 minutes, the track listing is as follows: Futurama, Cold Hearted, Bad That's Good In You, Preying On My Mind, Tough Love (Live), All Or Nothing (Live), Closer To Heaven (Live), Crosstown Train (Live), Story Of My Life (Live), Breathe Fire (Live), Cold Hearted (Extended Remix).

Futurama will be distributed by Membran in the UK and Europe and will be released on Monday 31<sup>st</sup> March and is available to pre-order from [www.fmofficial.com](http://www.fmofficial.com).
